## Secretary's Proposal Attacked

Leaders of Both Parties Denounce His Proposition As 'Impractical'

WASHINGTON, March 19.—(P)—Democrats and Republicans alike on Capitol Hill assailed Secretary of Commerce Wallace today for suggesting that congressmen should be ousted from their parties if they break party lines in voting on major issues.

The attack spilled out on the Senate floor after party chiefs in the House had denounced the proposal as "impractical."

Senator Johnston (D-SC) touched off the criticism in the Senate by reading a newspaper article about Wallace's views. The South Carolinian said he could "tell Henry Wallace one thing: 'He cannot ride me out of my Democratic party and let Mr. Joe Stalin take my place.'"

Asked Senator Wiley (D-Wis.): "Do you think Henry has gone Fascist?"

"I'm just going to give you a little of what he said," replied Johnston, "and let you be the judge."

### Noted Wallace Vote

Senator Brewster (R-Maine) noted that Wallace, recently had endorsed other than a Democratic candidate in New York City elections, and asked whether that wouldn't disqualify him as a Democrat.

Senator Chavez (D-NM) commented it was the "philosophy of Hitler and Himmler that they did not want members to think for themselves, but to follow the party movement."

Johnston said he didn't intend to blindly follow any one man "whether it be Henry Wallace or any other."

"Does not the Senator conclude," Wiley asked, "that Wallace's recent outbursts constitute symptoms of liberalism?"

"Over liberalism," snapped Johnston.

Senator Hickenlooper (R-Iowa) told the Senate that he felt constrained to emphasize his belief that Wallace's "strange and unusual pronouncement does not reflect the political attitude of the people of Iowa."

### Might Lose Vote

The party chieftains in the House thought that such a step as Wallace proposed would deprive senators and representatives of the right to vote their convictions on other than party issues.

Rep. Rankin (D-Miss.) also rapped Wallace's proposal, telling the House it "is the craziest proposition we've heard since he advised farmers to kill little pigs to make prosperity."

## Bishop Here On Wednesday

Bishop Edwin V. O'Hara, of the Kansas City Catholic diocese, will confer the sacrament of confirmation on a class of children, and a few adults, at Sacred Heart church, this city, at 7:30 o'clock Wednesday night.

The bishop's schedule, for confirmation, for the next few days, will be as follows:

Wednesday Morning—St. John's church, Bahner; afternoon, St. Joseph's church, Clifton City, and night, Sacred Heart church, Sedalia.

Thursday Night—St. Patrick's church, Sedalia.

Friday Morning—St. Joseph's church, Sedalia; afternoon, St. Patrick's church, Spring Fork.

Saturday Morning—St. Peter and Paul's church, Cole Camp.

Sunday, March 24—Morning, St. Ludwig's church, Germantown; afternoon, Immaculate Conception church, Montrose, and night, Holy Rosary church, Clinton.

Monday, March 25—Morning, St. Patrick's church, Butler; afternoon, St. Francis' convent, Nevada, and night, St. Mary's church, Nevada.

### Heads Hannibal Patrol Office

JEFFERSON CITY, March 19.—(P)—Sgt. E. H. Dennison has been promoted to head the zone office of the Missouri Highway Patrol at Hannibal. Col. Hugh H. Waggoner, superintendent, announced today.

He succeeds Sgt. Earl Davis, promoted to Lieutenant and transferred to Poplar Bluff.

### Mrs. Keck Convalescing

Mrs. C. P. Keck, of the Terry apartments, who recently underwent a major operation at Bell Memorial hospital, Kansas City, is improving nicely. She will probably be able to return to her home here next week.

## Senator From Barry County Wants To Hurry Through

JEFFERSON CITY, Mar. 19.—(P)—Sen. H. R. Williams of Cassville, republican floor leader, sounded a plaintive note in the Missouri senate today as he urged his colleagues to settle their differences over a bill and hurry along with other work.

"My wife's getting tired of making my living for me," he said. "... If we don't hurry up there isn't going to be any Senator from Barry (his home county) any more."

"At least let's get through in time to go fishing this summer."

## Spain Denies Its Conduct Was Irregular

Declares Franco Refused Request To Join Nazis

MADRID, March 19.—(P)—The Spanish government, meeting charge with counter-charge, declared last night that the United States planned an invasion of the Iberian peninsula in 1944 and carried on espionage in Spanish North Africa in 1943.

The foreign ministry, in a 5,000-word reply to the U. S. State Department's White Book of March 4, accusing Spain of cooperating with the Axis during the war, flatly denied the charges and added: "The conduct of Spain toward the United States during the war and post-war years has been irreproachable."

The document asserted that Generalissimo Francisco Franco first avoided and later refused a German request that Spain participate in the European war.

Relative Activities  
Nevertheless, it said, Spain had "to present complaints to the North American nation because of activities of its officials and secret service agents." It said these activities were related "to certain subversive attempts to Spanish territory, especially Malaga and Melilla."

Malaga, in Southern Spain, is directly across the Mediterranean from Melilla, in Spanish Morocco.

### Senator Comments

WASHINGTON, March 19.—(P)—Senator Bushfield (R-SD) asserted today that the State Department had "received a swift kick in the pants" for interference in the Argentine elections, but that nevertheless it persists in "meddling" in the internal affairs of Spain.

He said in a Senate speech: "I wonder if our State Department realizes, as many Americans fully realize, that if the State Department is successful in liquidating (Generalissimo Francisco) Franco, the result will be civil war—a bloody, devastating, terrible civil war, started for no reason whatever except that the American State Department does not like Franco and thinks he should be forced out of office."

"If Franco is liquidated," he went on, "the communists will move in."

"If we follow the asinine policy of our all-wise state department, we are planting communism at the extreme western end of the continent of Europe and bringing it that much nearer to the borders of the United States."

WASHINGTON, March 19.—(P)—Secretary of State Byrnes announced today the United States is notifying France again of its opposition to putting the Franco government on trial before the United Nations Security Council. France last week asked this government to reconsider. France and Russia favor a council hearing on the present regime in Spain. The United States and Britain oppose it.

Byrnes told a news conference that in the new message the American government adheres to its previously stated position. This is to the effect that the United States does not consider the Franco government a threat to international peace and contends that any action to force Franco out is up to the Spanish people themselves.

## Truman Names Special Assistant

WASHINGTON, March 19.—(P)—President Truman has appointed Edwin A. Locke, Jr., as a special presidential assistant.

The White House announced today that Locke, a 35-year-old native of Boston, will work with the President on governmental reorganization, among other duties.

Locke, a former executive assistant to Donald M. Nelson, both when the latter was war production board chairman and later when he was the president's personal representative on economic problems of China, will also be available for assignments in that theater.

## Pilot Grove Hi Senior Winner Of DAR Award

Test in American History Determined Award Eligibility

The Tuesday meetings of the DAR convention were called to order by Mrs. Henry Wallace Townsend, state regent at 9:00 a. m. in the Ambassador room of Hotel Bothwell.

High lighting the morning program were the presentation of the Good Citizen Pilgrimage award to Miss Mildred Schlotzhauer, senior of Pilot Grove high school, and the memorial service honoring the memory of DAR members of the state who have died within the past year.

Miss Schlotzhauer, who was presented the Good Citizen Pilgrimage award in the form of a \$100 war bond by Mrs. Walter Steininger, is the daughter of Mr. and Mrs. William Schlotzhauer of Pilot Grove. The representation marks the second time in the past four years that a student of Pilot Grove school has gleaned the honor, as in 1942 Miss Sarah Jone Wolf was adjudged winner.

### 147 In Test

"One hundred forty-seven students participated in the test on American history which determined eligibility for the award," stated Mrs. Steininger, emphasizing that the event was not a contest. The faculty of each 760 accredited four-year high schools in the state were asked to select three high school students, on the basis of dependability, service, leadership and patriotism, from which the senior class chose one student as the school's representative. Each of these students took the American history test which, when graded, determined who should receive the award.

Miss Schlotzhauer is especially interested in the musical program of her school—belongs to the choral group, plays trumpet in the band, and plays the piano—and is assistant primary teacher in the Sunday school of the Baptist church.

Upon being presented the bond, she made a speech of appreciation.

### Memorial Service

The concluding presentation of the morning program was the memorial service conducted by Miss Clara Frazer, state chaplain, assisted by Mrs. Frank H. Scott, state registrar. After a brief speech honoring the memory of state chapter members who have died within the past year, Mrs. Percy Metcalf, accompanied by Mrs. Henry Salveter, sang "There Is No Death" by Geoffrey O'Hara.

As names of the deceased and the chapters to which they belonged were read, white candles set in greenery atop a round, white table were lighted. Centering the cluster was a larger candle in memory of Mrs. John (Arlene B. N.) Moss, who by her efficient service in executive positions in the state and national chapters gained herself the title "Mrs. Moss of the DAR." Mrs. Moss died December 26, 1945.

The memorial service concluded with prayer.

Processional, Mrs. W. L. Monegan, pianist; call to order, state regent, Mrs. Henry Wallace Townsend; prayer, state chaplain, Miss Clara Frazer; pledge of allegiance, state custodian, Miss Florence Carvin; "America," sung by assembly, led by state chairman of Advancement of American Music, Mrs. L. D. Gust; reading of minutes of the Monday night meeting, state recording secretary, Mrs. John Leslie Jones; report of credentials committee, Mrs. Harold Weir; report of state officers, Mrs. Henry Wallace Townsend, Mrs. Milton Francis Duvall, Miss Clara Frazer, Mrs. John Leslie Jones, Mrs. Harry Bates Smith, Mrs. Harold Ross Weir, Mrs. Arthur Francis McNeely, Mrs. John Marvin Dameron and Mrs. Ashley Poyner.

Reports of appointed officers—parliamentarian, Miss Essie Matlack; custodian, Miss Florence Carvin.

## Selective Service Recommends Extension of the Draft Law

WASHINGTON, March 19.—(P)—Extension of the draft law for an indefinite period, with service of inductees limited to 18 months, was recommended today to the House Military committee by Selective Service.

The recommendation was made in a letter to Chairman May (D-Ky.) from Maj. Gen. Lewis B. Hershey, Selective Service director.

Immediately after its receipt, the committee voted to start hearing Thursday on legislation to extend the draft law. Army officials will be the first witnesses at the hearings, which will not be open to the public.

## MacArthur Studies Court Decisions

TOKYO, March 19.—(P)—General MacArthur is studying U. S. Supreme court opinions in the condemnation of Lt. Gen. Masaharu Homma, including emphatic dissents by Justice Rutledge and Murphy.

He is expected to complete soon his review of the case of his one-time Philippines opponent, headquarters reported today.

Homma was convicted of ordering the Bataan death march and permitting other atrocities by Japanese in the Philippines. He was condemned to be shot.

### Graduating Crown Prince

TOKYO, March 19.—(P)—Crown Prince Akihito, 12, will be graduated from the primary (elementary) course of the Peers school tomorrow. He is healthy, his school record is excellent and his brush writing shows his development. Kyodo news agency reported.

He will enter middle (high) school, where he will mingle with other students except that he will have a special sleeping dormitory.

### Paid Fake Guerrillas

MANILA, March 19.—(P)—Five of Luzon's leading wartime guerrillas asserted today that U. S. Army headquarters here had recognized some "fake" guerrilla units and paid them—while deserting, genuine, anti-Japanese guerrillas still were awaiting recompense.

Selective Service officials said Hershey recommended that the extension should be for an indefinite period, subject to cancellation by the president or by Congress at any time.

Hershey also was reported to have recommended leaving unchanged the present age group subject to Selective Service—18 to 45 years—with an executive order limiting actual inductions to those under 27.

Some committee members, including May, have proposed a flat six-months extension with the age limits between 21 and 30, both inclusive.

## MPSC Sets Dates For Two Hearings

JEFFERSON CITY, March 19.—(P)—The Missouri Public Service Commission filled two dates on its calendar yesterday.

It set March 31 as the final filing date for evidence in a hearing involving a proposed 14.14 per cent increase in intrastate trucking rates, and April 5 as a hearing date for the Arrow Coach company of Ottumwa, Ia. The coach company seeks to extend its services from Ottumwa to include Booneville, Brookfield, Keytesville, Unionville, Linneau, Browning and Milan, Mo.

### Knots

NEW ULM, Minn., March 19.—(P)—Emil Dometer met up with a knotty problem just as he was finishing remodeling his store.

In the last piece of lumber—a scarcity—he noted a gaping knot-hole, so he started searching for the knot. He went to the lumber yard and after a prolonged hunt he found the knot. Then he finished his job of glueing it in place, looked it over, and said, "Not bad."

### Divorce Forgotten

HOLLYWOOD, March 19.—(P)—Hedy Lamarr and husband, John Loder, who separated about three months ago, have become reconciled.

A spokesman for the actress said "All thought of a divorce has been forgotten."

## To Elect Head Of the U.S.S.R. Government

Which Has Now Embarked Upon New Five-Year Plan

LONDON, March 19.—(P)—The Supreme Soviet tonight named Generalissimo Stalin Chairman of the Council of ministers—the title of the head of the government of the U. S. S. R.—and minister of the armed forces, the Moscow radio said.

The broadcast said the vote was unanimous.

V. M. Molotov, who was premier before the war and has been foreign commissar, was named deputy premier for foreign affairs.

MOSCOW, March 19.—(P)—The Supreme Soviet, the Russian parliament, in a final session tonight was expected to elect a head of the government of the U. S. S. R., which now has embarked officially upon a new five-year plan.

Throughout the war Generalissimo Stalin as chairman of the Council of People's Commissars has been head of the Soviet government. Earlier in this session the supreme Soviet decided to change the title of the head of the government to chairman of the council of ministers, but the nature of the job remains unchanged.

Stalin became chairman of the Council of People's Commissars May 6, 1941, by decree of the Presidium. Previous to his nomination V. M. Molotov had held the post along with that of Commissar of Foreign Affairs.

The new five-year plan is designed to place Russia in the forefront among the users of atomic energy and to boost industrial production to one and a half times the pre-war level by 1950.

The plan, which was presented last Friday to the Supreme Soviet by N. A. Voznesensky, head of the state planning department, was adopted unanimously yesterday by both houses of the Russian parliament.

Under the measure, annual iron production would be increased to 19,000,000 tons; steel, 25,000,000 tons; coal, 250,000,000 tons; oil, 35,000,000 tons; and electric power, 85,000,000 kilowatt hours. Expenditures for education and culture would be boosted to the equivalent of about \$13,333,000,000.

Voznesensky, in sponsoring the plan, asserted the Soviet Union would maintain and strengthen her military forces during the five-year period from 1946 to 1950, and that prizes would be awarded to scientists to stimulate atomic research.

Machinery Minister A. E. Yefremov told the council of the Union of the Supreme Soviet that if the aims of the plan were achieved Russia would be too powerful for any nation to overcome, even if an attack should come unheralded and by surprise.

(The Moscow radio, heard in London, said yesterday the principal task of the new plan was to equip "the armed forces with the latest weapons" and to consolidate the nation's defenses. The U. S. S. R. is not thinking of seizing "foreign territory." Commentator Linetsky said, but of "consolidating peace and security.")

"The Soviet Union stands guard over the peace and security of all nations," the commentator added. "It is a stranger to any expansionist desires such as those of Mr. Churchill and his friends, who have put on the shoes of warmongers."

N. Bazhan, delegate from the Ukraine, suggested to the supreme Soviet that approximately \$8,333,000 be appropriated to equip scientific laboratories in its republic to help the U. S. S. R. outstrip its scientific achievements of other nations.

### Tough Customer

SAN JOSE, Cal., March 19.—(P)—A rat trap, complete with an electrocution chamber and an electric door, was demonstrated at a sectional meeting of the National Association of Sanitariums, Inc.

A rat entered the tunnel, the door banged shut and there was an audible electric buzzing.

Seconds later the door opened and out walked the rat.

## 'Blue Shirt' Leader Executed

PARIS, March 19.—(P)—Marcel Bucard, notorious "Blue Shirt" leader during the German occupation, was executed today at Fort de Chatillon. Convicted of collaborating with the Nazis, he was sentenced February 20.

Bucard, who barely escaped assassination in July, 1944, for his pro-German activities, was the founder of the Francistes, an extreme Fascist group, whose members wore blue shirts.

Bucard's platform called for establishment of a dictatorship over France and abolition of parliamentary government.

## Iran Protests Presence of The Russians

Remained There Instead of Leaving On March 2

WASHINGTON, March 19.—(P)—Iran today formally charged Russia with maintaining troops on Iranian soil in violation of an international agreement, and with interfering in Iranian affairs "through the medium of Soviet agents, officials and armed forces."

The charges were made by the Iranian government in appealing to the United Nations Security Council for an "immediate and just solution" of the dispute with the Soviet Union.

WASHINGTON, March 19.—(P)—Iran has filed a new protest with the United Nations Security Council against continued presence of Russian troops in that country, an Iranian embassy official said today.

Gholam Abbas Aram, first secretary of the embassy, told a reporter that Ambassador Hussein Ala delivered the protest last night to Trygve Lie, UNO secretary general, who is now in Washington.

Ala acted on instructions received from Premier Ahmed Qavam-Essultaneh in Tehran late yesterday, Aram said.

Aram said he believed ambassador Ala, if given the opportunity would appear in person before the Security Council to present the Iranian case against Russia.

Russian troops had been scheduled to leave Iran by March 2. Instead they remained there.

To Security Council  
Qavam last week announced his intention to take Iran's troubles to the Security Council, after he had failed in personal conferences at Moscow with Generalissimo Stalin and Foreign Commissar Molotov to clear up the situation.

Some doubt arose here later as to whether he would be able to follow that course.

The U. S. government had received word from its representatives in Iran that Soviet officials in Tehran were endeavoring to dissuade Qavam from making the protest to the council.

Diplomatic officials here have been apprehensive lest an Iranian protest to the Security Council might result in the overthrow of the Qavam government.

One report received over the week end said Russia had warned Qavam against such action. Thus, of Qavam's instructions to Ala to make the protest might be interpreted by the Soviets as an "unfriendly" act and lead to increased Russian pressure on Qavam's government.

### Brig-Gen. Resigns

JEFFERSON CITY, March 19.—(P)—Brig. Gen. Harry M. Gambrel, commander of the Missouri State Guard since July, 1942, has resigned "because of business pressures." In accepting the resignation, Adjutant General John A. Harris recommended the retiring officer for the Missouri medal for meritorious service. General Gambrel's home is in Kansas City.

## Report of Suffering To UNRRA

China and Greece Make Appeal For Continued Aid; Situation Acute

By Alex Singleton

ATLANTIC CITY, N. J., March 19.—(P)—Spokesmen for China and Greece told in stark and simple terms today the story of starvation and suffering in their lands and appealed for continued aid to prevent the present crisis from becoming an even greater calamity.

China's Tsingtu E. Tsiang reported to delegates from 47 nations at UNRRA's Council meeting that "famine and starvation actually has begun" in his country—so acute in some areas that people are eating grass and clay.

"The actual state of affairs is far worse than had been estimated," he asserted. "x x x food will have to be supplied for another season. But let us all be realistic. We cannot meet more than one half the needs."

Kyriakos Varvareos, Greek delegates, said that only a "small proportion" of the Greek needs have been met, and said that people have been dropping in the streets from hunger, children starving from lack of food.

He recounted his country's fight against aggression, and then declared "I feel that I am entitled to ask for Greece a few thousand tons of wheat x x x to prevent a new calamity."

Nikola Petrovic, of Yugoslavia, said his country was anxious to take care of itself, but that war damage was so great the Yugoslavians faced prolonged suffering unless UNRRA restored its 1945 level of supplies. He reiterated the small nations' plea for oil, machine parts and other equipment necessary to the restoration of Yugoslav industry.

Brig. Gen. Carlos P. Romulo of the Philippines told the delegates the commonwealth had not yet received any help from UNRRA other than \$3,000,000 in direct relief ordered by Lehman, acting on his emergency powers as director general.

Vote More Francs  
Pierre Schneider, delegate from France, announced that his government had given UNRRA 150,000,000 francs for 1945 and will shortly vote another 200,000,000 francs for 1946.

The world food problem posed for UNRRA its major immediate problem—whether to recommend sharp curtailment of relief aid to Japan and Germany in order to give preference treatment to allied liberated lands.

The issue was flung squarely into UNRRA by ruddy-faced, strident-voiced Sir Carl Berendsen, delegate from New Zealand, who insisted that first right to available food resources should go to the victims of Axis aggression.

Emergence of the question on the council floor gave fresh significance to the mission of Herbert Hoover to Europe on a survey of food needs. Hoover, chairman of President Truman's special committee on relief, has taken the position that no boundary lines should be drawn for such aid.

Cooperation Test  
Philip Noel-Baker, Britain's minister of state, told the delegates today that the success or failure of UNRRA would prove a test of whether future international cooperation is possible.

Saying that UNRRA is the first step toward a new system of "collective, international prosperity and peace," he said that "unless we can give the peoples the hope of food and work, no other institution of the United Nations can possibly succeed."

"UNRRA is the first of the United Nations institutions, it is part of a great system or it is nothing at all."

## Student Hurt Making Hurdle

Dan P. Green, Jr., 15 years old, freshman at Smith-Cotton high school, suffered a severe injury to his left leg while trying to jump a hurdle at the school during the noon hour. The boy, it was said, was playing on the school grounds after eating his lunch, endeavored to jump the hurdle, caught his foot and the leg struck a board.

The flesh over the bone was practically cut away, and it was necessary for Dr. J. E. Mitchell, who attended him, to take a large number of stitches to close the wound. The injury was just below the knee.

He is the son of Mrs. Dan P. Green, of R. F. D. 2, Sedalia. The boy was taken to the Bothwell hospital in the McLaughlin ambulance.

## Conditions in Asia Topic of Talks at Sorosis Monday

Miss Helen Bowers, chairman of the Current Topics department of Sorosis, presented at the club Monday afternoon at Heard Memorial Club House, Miss Nettie Lamm, of the public library staff, who gave a brief report on conditions in Asia.

Miss Lamm told of the people in Asia and our complete ignorance of them. She told of Vanya Dakes, an American girl, who upon leaving Vassar college decided she wanted to go to China. She knew nothing of China but went there and stayed several years and has written a number of articles on the people in that country and their life. The American people know of the A9merican people know of the Orientals, Miss Oakes writes. They do not think of them as a thinking people and unless we do try to understand them and the problems of their country there will be trouble in China.

Miss Lamm then introduced Prof. Clayton Dickson, instructor of American Problems at Smith-Cotton high school, who recently returned from nineteen months service in the South Pacific area. Prof. Dickson gave his impressions of the people of various islands, old of education there in which he was most interested and gave several human interest stories of the natives of some of these islands.

### Missionaries Were Real Help

He said that the missionaries in British New Guinea and Dutch New Guinea had done a wonderful job considering what they had to work with. He told of a little church which had a full attendance of natives at all services.

There was a little native boy, Mr. Dickson said, about eight years old who told him the story of Christmas. The child could speak both the Malay language and the English language, the latter which he had learned from the missionaries. He told the story of the Christ child in English. He also knew a great deal about modern things in America and told of them as he pointed out pictures in their magazines.

The success in the Philippines, Mr. Dickson said, was due to education. In about 1901 there were 509 teachers sent to the Philippines and in 1937 twenty-five per cent of the people in the Philippines could read. It was quite an accom-

plishment since only about five per cent on any of the other islands could read. They were taught the English language and carried on their business speaking in English. When they learned this language that all of them understood, a middle class of Filipinos sprung up, and they now know their rights.

### Knew of Christmas

When the American soldiers first landed in Leyte the natives talked of Christmas and asked if they would receive Christmas gifts. "They didn't," Mr. Dickson said, "we didn't have any Christmas gifts ourselves."

Mr. Dickson said that a young native came in and he recognized him immediately as a school teacher. He asked for soap and when the American soldiers asked what he wanted with soap he said that some of the women of the island wanted to launder clothes for the soldiers so that they could rebuild their school. They set up a laundry and later built a frame school building.

It was difficult to enroll children again in school because all books and records had been destroyed. However, some parents had affidavits of their child's promotion, some kept the books and the only other method was by the memory of the teacher. The Japanese attempted to have school but the children wouldn't go. They even used the same books pasting over words like America, democracy, freedom, and liberty, but the curiosity of children only made them tear off the paper and those words meant more than they did originally.

### Education Needed

Japan may be like the Philippines. With education the attitude of Japan may be very different. The Philippines were promised their liberty on July 4, 1946. That promise will be fulfilled on that date if the Filipinos feel that they are ready for it, Mr. Dickson concluded.

Mrs. P. Cecil Owen, chairman of the Art and Drama department, announced that the speaker next week will be Col. John C. McLaughlin, who will tell of his experiences in the European theatre. Mrs. D. S. Lamm, vice president of Sorosis, presided in the absence of Mrs. Austin Hurley, president, who is out of the city.

## SOCIAL EVENTS—CLUBS

Miss Eloise Bellah, daughter of Mr. and Mrs. Carl Bellah, 3600 South Washington avenue, and Mr. David Harbin, son of Mr. and Mrs. Wesley Harbin, of Bakersfield, Cal., were married at a pretty ceremony at 3:30 o'clock Sunday afternoon, March 17, at the Assembly of God church, Sixth street and Summit avenue. Rev. B. H. Campbell, pastor of the church, read the double ring service before an altar banked with baskets of white flowers and palms.

Before the service Gene Wells, of Sedalia, played "An Sweet Mystery of Life," and Gene Smith, of Springfield, Mo., sang "I Love You Truly" and "Always," accompanied by Gene Wells.

Candles in tall standards were lighted by Misses Janice and Joan Puckett in floor length dresses of yellow marquisette.

The bride, who was given in marriage by her father, wore a floor length dress of white lace and net. The long waisted lace bodice was made with a low cut neck yoke and buttoned down the back. The sleeves were long and came to a point over her hands. Her net skirt, made with two flounces, formed a long train. Her finger-tip veil of white net was held in place by clusters of orange blossoms. She carried a colonial bouquet of white carnations, in the center of which was an orchid. The bouquet was tied with white satin streamers down which were frayed carnations. Her only ornament was a strand of pearls.

Miss Betty Lou Roberson, of Springfield, as maid of honor, wore a floor length dress of orchid taffeta and long white gloves. Her shoulder length veil of orchid net was held by pink flowers and her colonial bouquet was of pink carnations.

Miss Evelyn Keele and Miss Lorraine Hickman, both of Sedalia, were bridesmaids. Miss Keele's dress was of blue taffeta and her blue net veil was held with pink flowers; Miss Hickman wore a pink lace formal with pink shoulder length veil caught in her hair by pink flowers. Both wore long white gloves and carried colonial bouquets of pink carnations.

Bootsie Holloway, three years old, was flower girl and wore a floor length pink net dress. She carried a basket from which she scattered rose petals down the aisle. Larry Lee Lyday, four years old, was ring bearer and carried the ring in a white lily. He was dressed in a navy suit.

Mr. Albert Jones, Brooklyn, N. Y., served Mr. Harbin as best man. Ushers were Mr. Freddy Nuzum and Mr. Richard Flippin.

Mrs. Bellah, mother of the bride, was attired in a two piece navy blue suit with black accessories and wore a gardenia corsage. Mrs. Bertha Puckett, grandmother of the bride, wore a black dress with black accessories. Her corsage was also of gardenias.

Following the ceremony a reception was held at the home of Rev. and Mrs. B. R. Campbell, 1208 South Carr avenue, and was attended by about forty guests, close friends of the family.

A large three tier wedding cake with a miniature bride and groom on top was served by Miss Betty Harvey and Miss Genevieve Long, both in pink formal. The cake centered the lace covered dining table and bouquets of white carnations were used in decoration about the home.

The bride was born in Corpus Christi, Tex., coming as a child with her parents to Sedalia. She was graduated from the Smith-Cotton high school in 1945 and attended Southwestern college at Waxahachie, Tex.

The bridegroom was born in Puxico, Mo., and received his education at Bakersfield, Cal. He received his discharge from the signal corps of the Army Air Forces on February 27, 1946, after three years service, ten months of which was overseas in Guam. Mr. and Mrs. Harbin left Monday afternoon for Bakersfield, Cal., where they will make their home. Mrs. Harbin chose for her going away costume a gold colored suit with brown coat, brown blouse and brown accessories. Her corsage was of orchids.

Miss Betty Lu Urban, daughter of Mr. and Mrs. Carl Urban, 1507 East Seventh street, was a guest at two recent pre-nuptial parties given in Kansas City for her cousin, Miss Billy Jean Cunningham, daughter of Mr. and Mrs. W. D. Cunningham, of Kansas City, whose marriage to Paul Nesselrode will take place on Sunday, April 7, at 4 o'clock, at the Tabernacle Baptist church.

Mr. and Mrs. Ogle Cunningham were host and hostess at an announcement party for the prospective bride couple, on March 2 at their home, 4541 Michigan. Fashioned around the idea "Letting the cat out of the bag," invitations were small green bags from which popped a tiny cat. The theme was further carried out in a table decoration of a toy white cat with white satin streamers inscribed with the names, "Billy and Paul" and the wedding date.

A bride's romance book was made by the guests. Fifteen couples of the younger set were present. Decorations were pussy willows and pastel water lily candles in crystal bowls.

Mrs. Walter Moore and Mrs. Nelson Block, 4925 Michigan, entertained on March 16 in honor of Miss Cunningham. Clever rainbow invitations gave the color schemes of the rooms of the new home which the bridegroom-to-be has purchased, and gifts were selected accordingly.

The hostesses' home was decorated in rainbow colors. Candles were on the serving table and a mantel. A rainbow effect was created at an archery and ended in a huge pot of gold which contained the shower gifts. Each guest also brought a favorite recipe. Interesting games were planned for entertainment which gave the bride-elect advice on home arrangements and cooking.

Refreshments were rainbow sodas, individual cakes decorated with rainbows, nut cups and rainbow handles, and plates also in the motif of the party. There were 36 guests.

Miss Urban, a student at Central Missouri State college, Warrensburg, was a house guest of her cousin and her parents on the week-ends the parties were given.

Smithton, and Mr. Arthur Kemp Howell, Jr., of St. Louis, took place on Saturday evening, March 16, at the First Presbyterian church in Fulton.

A picture of the bride and the wedding item appeared in the Sunday section of the St. Louis Globe-Democrat.

The article was as follows: "Miss Marianne Myers, daughter of Mr. and Mrs. Forest Myers of Fulton, Mo., became the bride yesterday of Arthur Kemp Howell Jr., whose parents reside at 6336 Pershing avenue. The ceremony was performed at 5:30 o'clock by the Rev. T. Watson Street in the First Presbyterian church, Fulton. The chancel, choir loft and church windows were banked with huckleberry and illuminated by white tapers.

"The bride, given in marriage by her father, wore a gown designed with a bodice of silk fallie, having shaped neckline, short peplum, and long sleeves.

The double skirt of antique ivory illusion was secured to a halo of matching lace and she carried calla lilies tied with wide satin ribbon.

"Mrs. John Raeburn Green II of Fulton served as matron of honor. Bridesmaids were Miss Peggy Frank of Fulton and Miss Mary Kay Richards of Webster Groves. They wore gowns of mimosa yellow faille, period style, with off-shoulder necklines and bouffant skirts having bustleback panels. Their matching yellow hats were of braided tulle and the bride's attendants carried arm bouquets of talisman roses.

"The bridegroom chose Charles Frederick Feurbacher of St. Louis as best man. The list of ushers included Lewis and Walter Hardy, Everett Gray, Bruce Evans and Capt. Henry Hughes all of St. Louis and Ensign George Hannaway of Chicago.

"Following the service a reception was given at the Fulton County club by the bride's parents."

Miss Peggy Jo Hunter, daughter of Mr. and Mrs. C. P. Hunter, of Oklahoma City, Okla., and Mr. John Kenneth Durham, son of Mrs. Daisy Durham, 211 East Twenty-Fourth street, were married at 7:30 o'clock Monday evening by Rev. A. W. Kokenodder, at his home on South Ohio avenue.

Attending the couple were Mr. and Mrs. Art Vinson of Sedalia. The bride selected for her wedding a powder blue suit with which she wore dark brown accessories. Her corsage was of red rosebuds.

Mrs. Vinson wore a two-piece street-length dress of aqua blue with black accessories. Her corsage was of white gardenias.

Mrs. Durham was born and reared in Oklahoma, near Oklahoma City. She attended Smith-Cotton high school one year, later being graduated from the Oklahoma City Central high school in Oklahoma City. She was employed by the Oklahoma State Health Department for one year.

Mr. Durham was born and reared in Sedalia and attended Smith-Cotton high school until a few months before his enlistment in the U. S. Marine Corps in which he served two and one-half years, two years of which were overseas. He served in the Southwest Pacific from Honolulu to Manchuria, China. ## DAR State Officers Club Dinner

"The Daughters of the American Revolution and the Rule of Law" was the subject of a fitting and informative address delivered by D. S. Lamm, Sedalia attorney, at the State Officers club dinner held Monday evening in the Ambassador room of Hotel Bothwell in conjunction with the forty-seventh annual conference of the Missouri State society of the Daughters of the American Revolution.

There were 125 D. A. R. members and guests in attendance at the dinner, with Mrs. Frank S. Leach, of Sedalia, vice president of the State Officers club, in charge of the program. The president, Mrs. Henry Clay Chiles, of Lexington, presided.

A pre-conference session, including musical features, was held at the First Christian church, beginning at 8:30 o'clock, and was open to the public.

### Greetings By Judge Hoffman

Mrs. Henry Wallace Townsend, of Kansas City, state regent, gave the response for herself and visiting delegates to greetings extended by Judge Dimmitt Hoffman, judge of the Pettis county circuit court, and by the regent of the hostess chapter, Osage, Mrs. W. L. Layne, who also is vice chairman of the general arrangements committee. Mrs. Elza Berry, of Sedalia, is the general chairman.

Patriotic rituals and flag ceremonies were incorporated in the program, led by state officers and chairmen of committees.

The impressive entrance which was the introductory phase of the public program was to the strains of "Coronation March" (Meyerbeer) played on the organ by Mrs. H. O. Foraker, with Dick Dean and Jimmie Watts as trumpeters. The invocation was by Dr. Robert C. Williamson, pastor of the Congregational-Presbyterian church.

### Honored Guests Presented

D. A. R. officers and honored guests were presented by Mrs. Townsend.

A violin solo, "La Gitana" (Kreisler) was presented by Mrs. John M. Rodeman, with Mrs. Henry Salveter accompanying, and flute solos, "Concertino" (Chaminade) and "Pan and the Birds" (Mouquet) were played by Ralph Guenther, whose accompanist was Mrs. Raymond Peterson.

dinner in honor of his birthday anniversary which was that day. A large birthday cake iced in green for St. Patrick's day formed the centerpiece of the dining table.

Seated with the guest of honor were his wife and son, Larry, John White of Kansas City, Alvin White, Mr. and Mrs. Charles Willis, Mrs. J. W. Morris, Mrs. Thelma Garrett and daughter Donna, all of Sedalia and Mr. and Mrs. O. R. DeJarnett, of Kansas City.

accompanied by Mrs. Percy Metcalfe, vocal solo, "Bon Jour Suzon," by Mrs. C. D. Demand; two vocal solos, "None But the Lonely Heart" and "The Three Cavaliers" by Mrs. Metcalfe, and a violin solo, "Czardas" by Mrs. John M. Rodeman, all accompanied by Mrs. Henry Salveter.

### Voyage Theme of Meeting

A voyage to Allied countries was the theme of the 6 o'clock dinner meeting, with miniature boats highlighting the table decorations. Centering the speakers' table was a 200-year-old model of a sailing vessel of the Revolutionary war period, complete with intricate rigging.

Musical selections included two vocal solos, "White Cliffs of Dover" and "Barbara Allen" by Mrs. Edwin Danforth, accompanied by Mr. Danforth; vocal duet numbers, "An Irish Love Song," "When Irish Eyes Are Smiling," and "Annie Laurie," by Misses Frances and Mary Helen Meyer.

Sports Roundup

By Hugh Fullerton, Jr.

NEW YORK, March 19.—(P)—A month ago it looked as if Tulane University would come up with an outstanding college baseball team. . . . Now Coach Monk Simons is wondering whether he'll have a team at all. . . . Three of the lads Monk had expected to play for the Green Wave now are wearing Yankee (or farm) uniforms and a fourth, overlooked by the Yank scouts, was signed up by the Detroit Tigers. . . . Tulane isn't beefing too much about the loss of Bob Brown, signed by the Yanks for a reported \$35,000 bonus (or was it \$60,000 as they hear in New Orleans?). . . . Bobby has been listening to bids since he was a 15-year-old in Maplewood, N. J., and Tulane only had him on lend-lease from the navy. . . . But it seems like too much when the Yanks also signed Dick Woodring (for \$15,000) and pitcher Red Enns and the Tigers grabbed outfielder Eddie Palmer. . . . Simons will have a heck of a time with what's left trying to attract a little attention in a city that has a double-A team.

Senators Try To Widen Merit System Door

Vote 13 to 10 For Amendment By Sen. Hawkins

JEFFERSON CITY, March 19.—(P)—Senators who got a political foot in the door of a new state merit system yesterday tried to widen the opening with more amendments today.

Their first success came when the Senate voted, 13-10, for an amendment by Senator C. R. Hawkins (R) of Brumley which would let the three members of a proposed personnel advisory board hold office in political parties or engage in other partisan activity.

As it came from the House, a bill to set up a civil service system for employees of penal and charitable institutions as required by the 1945 would have prevented the board members being active partisans.

Hawkins pushed through an amendment removing that limitation despite a warning from Senator M. C. Matthes of Hillsboro, president pro tem and sponsor of the bill on the floor, that "a howl will go up all over the state if we try to mix politics in this merit system."

Another Close Vote

On another close vote, 13-12, the president pro tem gained adoption of his proposal to extend the merit system to cover employees of the present social security and unemployment compensation commissions, who are chosen now under a merit plan required by the federal government.

The revision would put under civil service all employees of a new state department of health and welfare, a new department of corrections (penal institutions) and a new division of employment security (unemployment compensation) in a new department of labor and industrial relations.

The personnel division itself, to be headed by a director at \$6,000 a year appointed by the advisory board, would be in a new state department of business and administration. Matthes said that was in accord with Governor Phil M. Donnelly's suggestion.

New Employees At C. W. Flower Store

The Flower Dry Goods company have added three new employees to their sales force, Mrs. Marvin W. Klein, in the jewelry and purse department; Mrs. Sylvia Warren in the newly arranged junior department, and Mrs. J. W. Breton in the lingerie department.

A petition for divorce was filed in circuit court by Marian Hughes from Leo J. Hughes. The couple was married November 30, 1928 and separated March 2, 1946. General indignities were alleged.

Three children were born to this union and the plaintiff seeks custody of the children.

Leo J. Harned is the attorney for the plaintiff.

Seeking Opium Ring

TOKYO, March 19.—(P)—The newspaper Asahi Shimbun reported today that Hakata Port police are seeking a \$2,000,000 opium smuggling ring similar to the \$7,000,000 syndicate smashed in Wakayama Prefecture a week ago.

The paper said a former high Manchukuo (Manchurian) official was believed to have landed the narcotic.

Expects Transfer

Mrs. Dorman Eugene Ball, 519 East Eleventh street, received a telephone call from her husband, seaman 2/c in the Navy, now stationed in San Diego, Cal., telling her he expects to be sent from there very soon. Whether he will go to sea or be sent somewhere else in the states he didn't know.

False Alarm

Fire companies were called to the residence of Elmer Cochran, 638 East Third street, at 11:15 o'clock this morning, where members of the household believed they smelled smoke. No fire was found.

OBITUARIES

Mrs. Lewis Richards Service

Funeral services for Mrs. Emma Edith Richards, 317 East Seventh street, widow of the late Lewis Richards, who died early Monday morning at the home of her daughter, Mrs. E. C. McLaughlin, in Marshall, will be held at 2:30 o'clock Wednesday afternoon, at the Union church, with Rev. R. C. Williamson, pastor of the Congregational-Presbyterian church, to officiate.

Funeral services will be Homer Bails, Louis Smith, Jewell Adams, Ollie Richards, Ira Richards and Herbert Richards.

Surviving besides her daughter are one sister, Mrs. Stella Richards, of Beaman, two brothers, Louis J. Sowers and Harry Sowers, of Sedalia; a half-brother, H. E. Adams, of Sedalia; two aunts, Mrs. Nancy Deuschle of Sedalia and Mrs. Mollie Dillard of California.

A son, Clarence A. Richards, was killed in action in Germany on January 28, 1945.

A sister, Maud Smith and two half-brothers, George and Frank Adams also preceded her in death. The body is at the Gillespie funeral home.

Burial will be in the Union cemetery.

Series Of Deaths And Accidents

O. W. Howard suffered a serious injury to his left eye as the result of it being struck by a nail while repairing a fence at his home west of the Ottumville high school.

The eyeball received severe cuts making it necessary to take Howard to the Missouri Pacific hospital in St. Louis, Mo., Tuesday morning, March 12. He is receiving treatment there and there is a chance of regaining the sight of the eye.

This climaxes a series of deaths and accidents that the Howard family has suffered during the past month. First, a granddaughter broke her right arm. Next a son received severe injuries in a car wreck.

The stroke suffered by his brother was followed by his death a week later. A nephew was burned to death in the wreck of a gasoline truck. The spraining of an ankle by a younger son occurred just before Mr. Howard was struck in the eye by a nail.

See Rise In Cigaret Price

NEW YORK, March 19.—(P)—A rise in cigarette prices soon was seen today by OPA and industry sources as "a strong possibility."

The office of price administration may life the cigarette ceiling within the next two or three weeks to offset increasing costs of raw materials, Geoffrey Baker, deputy price administrator, said. Removal of price controls on cigars may follow within a few months.

Industry sources said cigarette price increases were expected to range from 25 to 50 cents a thousand.

Baker told the eastern convention of the National Association of Tobacco Distributors yesterday that price controls will be removed within two weeks from 200 food items in the luxury class, as recommended by the New York State Food Merchants Association. Also slated for release from ceilings are some capital goods, such as some textile machinery and machine tools, he said.

Traffic Cases

Roosevelt Hardenman, University City, Mo., and Noah Harris, 403 West Johnson street, arrested by the police for driving motor vehicles without chauffeur licenses pleaded guilty and were fined \$5 and costs each. The cases were in the court of Judge C. W. Bente, sitting as ex-officio justice of the peace.

# Canada As A Base For Spy Ring

## Prime Minister In Disclosure Of Espionage

By Harry T. Montgomery  
OTTAWA, March 19—(AP)—Documents seized in connection with Soviet espionage operations in Canada have disclosed that this country had been "used as a base to secure information of great importance to the United States and the United Kingdom," Prime Minister W. L. MacKenzie King told parliament Monday night.

In spite of the gravity with which he viewed the Moscow-directed espionage activities, King made a strong stand for maintenance of friendly relations with the Soviet government, saying he was sure that "Stalin would not countenance action of this kind."

King said he even considered at one point going to see Stalin himself.

The prime minister, speaking for 90 minutes to a hushed audience in his first detailed announcement of the case, did not elaborate as to the nature of the information sought in the United States and Great Britain, but he did say that it was a matter of "utmost concern" to those two countries.

In view of this, King said, he felt it his duty to inform both countries immediately, and did so soon after he became aware of the espionage network last September.

**Fred Rose In Seat**  
Fred Rose, Communist member of parliament accused of conspiracy and violating the official secrets act in connection with the spy network investigation, was in his seat as King delivered his official statement. Among one of the largest crowds ever to fill the public galleries were several others accused of being members of the network and now at liberty under bail.

King disclosed also that one of the reasons for delaying public announcement of the case until Feb. 15, even though his government first learned of the operations last fall, was to avoid disrupting relations between Russia and the western powers during the Foreign Ministers' meeting in Moscow last December and the United Nations organization meetings in London which followed.

King disclosed for the first time that the "espionage system had been in existence for three or four years." He was replying to a suggestion by members of the Canadian-Soviet friendship league that Russia had been driven to spying because the allies had held out the secret of the atomic bomb.

"The espionage system," King remarked, "had been in existence for three or four years in this country before anyone knew anything about the atomic bomb."

**Wanted Friendly Relations**  
One of the strongest points the prime minister made was his appeal for friendly relations with Russia.

He said it was especially significant that Moscow in its first announcement on the case had pronounced the activities of Col. Nicolai Zabotin, Russian military attache and head of the operations in the Dominion, to be "inadmissible," and that it had said that Zabotin had been "recalled."

Mentioning that "some persons" feel that Canada ought to sever relations with Russia, King said "I hope there will be no view of that kind expressed by anyone in a responsible position." Many members applauded this statement.

## Omit Osceola Dam Funds

WASHINGTON, March 19—(AP)—The senate appropriations committee, abiding by recent action in the house, Monday omitted from the house civil functions bill funds for starting construction of the Osceola dam and reservoir in Missouri.

Rep. Bennett (R-Mo) had been successful in having the house appropriations committee eliminate from the bill \$1,500,000 which had been recommended by army engineers and the budget bureau for work on the Osceola project in the next fiscal year.

Senator Briggs (D-Mo) had announced he would not ask the senate committee to reinstate the Osceola item.

# Back To Europe To Tell Story Of Massacre

LEETON, Mo., March 19—(AP)—Ex-Pfc Homer (Bud) Ford, 24, has gone back to Europe to tell the international war crimes tribunal his story of the massacre of over 100 American prisoners by German troops during the "battle of the bulge."

One of 150 Americans captured and herded into a field where the Germans turned guns on them, Ford was wounded in the arm and escaped by feigning death.

He was discharged Nov. 18 and came home, but his father, Harvey Ford, said Monday.

"I still don't have much of an idea what happened. He told his mother a little, but he didn't like to talk about it."

"He didn't even much want to go back to Europe. He said it would make him remember. . ."

Bud's parents and the six other surviving children of the family got most of their information from a magazine article sent to them by another Leeton soldier, Sgt. Arthur Cooper. The framed article is hanging in the Ford home.

The magazine quoted Bud as saying the Germans walked among the fallen Americans, shooting the wounded who still showed signs of life.

"I was laying in the snow and got wet and started to shiver," Ford was quoted as saying. "I was afraid they would see me shiver, but they didn't."

Shortly after Ford began work in a shoe factory at Windsor, Mo., March 8, the government sent for him. Later he sent his parents a message from Washington, saying he would fly to Europe.

# Bill For Aid In School Districts

JEFFERSON CITY, March 19—(AP)—A bill to provide \$2,000,000 in state aid to Missouri school districts for repair or construction of school buildings was advanced to final vote stage in the house of representatives Monday despite the outspoken opposition of some representatives.

The measure was advanced on a 53-17 roll call vote.

Rep. James P. Boyd (D) of Monroe county said he disliked the bill's provisions and declared the postwar reserve fund—from which the \$2,000,000 would be taken—was especially set aside to provide employment and aid for Missouri's World War II veterans.

He said he also opposed the bill because its author, Rep. Walter Whitney (D) of Lawrence county, "would be willing if he could do it—to appropriate every dollar in the general revenue fund for school purposes."

But before the bill came to a vote Rep. Emmett Bartram (R) of Nodaway county championed its provisions and said the veterans would be helped by use of reserve funds for such a purpose.

"The veterans don't want direct relief," he said, but they would appreciate an opportunity to work on such repair and rebuilding projects as the money would afford.

# FIREMEN'S PENSION PLAN ORDINANCE

## To be voted on in City of Sedalia, Missouri at municipal election April 2, 1946:

### ORDINANCE 3622

AN ORDINANCE To create a retirement system for firemen in the City of Sedalia, Missouri, and to provide by ordinance for the retiring of the members of such department and the widows and minor children of deceased members in accordance with its provisions, and to take from its municipal revenue a fund for such purpose; providing for a board of trustees having exclusive control and management of the fund, the power and duties of the board, and for judicial review of its actions; providing the sources of the fund, and prescribing the contributions to the fund by members of the fire department, the benefits payable out of the fund and the persons entitled to receive them, exempting the benefits from attachment, execution, garnishment, or other legal process; and making the violation of certain of its provisions a misdemeanor punishable by fine and imprisonment.

BE IT ORDAINED BY THE COUNCIL of the City of Sedalia, Missouri as follows:

**Section I.** A fireman retirement fund and a board of trustees of the firemen's retirement fund is hereby created in the City of Sedalia, Missouri, to provide for the retirement of the members of such department, and the widows and minor children of deceased members, as provided in this ordinance, and to take from its municipal revenue a fund for such purposes.

**Section II.** The fund shall be under the exclusive management and control of a board of trustees known as the "Firemen's Retirement Fund of the City of Sedalia, Missouri," in which name it shall transact all its business and hold all its moneys, securities and other property. The board shall consist of the Mayor of the city, the City Clerk, the Chief of the Fire Department, and two members of the Fire Department, elected by the members thereof, such elections to be held on the first Monday in June of each year for terms of one year. The board of trustees shall elect from its membership a president, and shall, by a majority vote of its members, elect a secretary, who may, but need not be, one of its members, and the City Clerk shall be ex officio treasurer of the board. The compensation of all persons engaged by the board of trustees, and all other expenses of the board necessary for the operation of the retirement system, shall be paid at such rates and in such amounts as the board of trustees shall approve.

**Section III.** (a) The board of trustees shall keep in convenient form such data as shall be necessary for actuarial valuation of the funds of the retirement system, and for checking the experience of the system.

(b) The board of trustees shall keep a record of all its proceedings, which report shall be open to public inspection. It shall annually make a report to the city council showing the fiscal transactions of the retirement system for the preceding fiscal year, the amount of the accumulated cash and securities of the system, and the last balance sheet showing the financial condition of the system by means of an actuarial valuation of the assets and liabilities of the retirement system.

(c) The board shall make rules and regulations for the government of its affairs, the administration of the fund, and for the limitation of the time within which claims may be filed. It shall have exclusive jurisdiction of all retirement claims, benefits or refunds. It shall hold hearings and take and preserve the evidence on all disputed matters and the evidence, record and final finding, and decisions of the board shall be subject only to review by writ of certiorari, with the right of appeal as in civil cases from the decision of the reviewing court.

**Section IV.** The retirement fund shall consist

1. Of all moneys that may be given to such board or fund by any person or persons for the use and purposes for which such fund is created. And such board may take by gift, grant, devise or bequest any money, personal property, real estate, or interest therein, or any right of property; and any such gift, grant devise or bequest may be absolute or in fee simple, or upon condition that only the rents, income or profits arising therefrom shall be applied to the purposes for which such fund is established.

II. Of all moneys, fees, rewards or emoluments of every nature and description that may be paid or given to the Fire Department, or any member thereof, for services or duties performed.

III. Every member of the Fire Department shall be assessed five dollars (\$5.00) of his salary, to be paid in regular monthly payments, which sum is to be deducted from each members compensation which is due him on the fifteenth day of each month; this is to be done by the City Clerk, who in turn shall place the said amounts to the credit of the firemen's retirement fund. Every person who becomes a member of the fire department shall be liable to the aforesaid assessment, and, in becoming a member thereof shall be conclusively deemed to undertake and agree to pay the same and to have it deducted from his compensation as herein provided.

IV. A sum of two-tenths (2/10) of one mill shall be levied on each dollar of the value of all taxable property annually assessed in the City of Sedalia, Missouri, as the same appears on the tax duplicate, which sum shall be set aside and made part of the firemen's retirement fund, by the City Clerk; provided, that said sum shall not be used for or devoted to any purpose other than herein specified.

**Section V.** The board shall invest and reinvest all assets of the fund in excess of a safe operating balance, but investments shall only be in bonds or other securities of the state or of the United States, or fully guaranteed by the United States, approved bonds or other securities of any county, municipality, school or road district in the state, judgments against the county or municipality, or general or special tax bills against persons or property in the municipality. No member or employee of the board shall have any interest in the acquiring or disposing of any investment.

**Section VI.** All persons who become members of the fire department after the establishment of the fund shall be subject to the provisions of this ordinance as a condition of their employment. Each member of the Fire Department at the time the fund is established, shall be subject to this ordinance. Under rules of the board each person who is a member of the Fire Department at the time the fund is established, shall file with the board a detailed statement of all prior service as a fireman for which he claims credit. The board shall fix by rule how much service in any calendar year shall constitute a year's service, but absence without pay for any period of more than one month's duration shall not be counted as service. The board

shall promptly verify the statements of service, and upon verification thereof shall issue to each member a certificate of the length of his prior service on the basis of his statement. Such certificate may be modified at the request of the member or the board within one year from the date of issuance or modification thereof, and unless so modified, shall be final and conclusive as to the length of prior service. When a member leaves the service of the department for more than four years for any cause his certificate of prior service shall be void and on reentering the service of the fire department he shall not be entitled to credit for prior service except he leaves for disability received in line of duty.

**Section VII.** Any member of the Fire Department in service and having twenty-five years or more service in the department, of which the last ten years must be continuous, may file with the board an application for retirement on pension also setting forth a time, not less than thirty nor more than ninety days after filing of the application, at which he desires to be retired, and though his service has been discontinued during such period of notification, he shall be retired by the board as of the time desired, and shall be paid monthly for life out of the fund a retirement pension of seventy-five dollars (\$75) per month.

**Section VIII.** Any member of the Fire Department in service who has attained or attains the age of sixty-two (62) years shall be retired forthwith by the board. Provided that the last ten years is continuous service.

**Section IX.** (a) A member of the fire department permanently and totally disabled by injury or disease caused in line of duty shall be paid out of the fund monthly for life the sum of seventy-five dollars (\$75), provided one or more physicians appointed by the board shall certify that the disability is likely to be permanent and that the member should be retired from service.

(b) Once each year following the retirement of a member of the fire department on a disability retirement allowance the board of trustees must require all such members who have not completed their twenty-five years service, or have not obtained the age of sixty-two, to undergo a medical examination at a place designated by the medical board. Such examination shall be made by the medical board or in special cases, by an additional physician or physicians designated by such board. Should any disability beneficiary who has not completed his twenty-five years service refuse to submit to such examination, his allowance may be discontinued until his withdrawal of such refusal, and should his refusal continue for one year all rights in and to his retirement shall be revoked by the board of trustees.

(c). Should a disability beneficiary who has not completed twenty-five years service be found to be again able to carry out the performance of his duties and be restored to active service his retirement allowance shall cease, he shall again become a member of such department, and he shall contribute thereafter at the same rate he paid prior to his disability, and upon his subsequent retirement he shall be credited with all his service as a member.

**Section X.** If an active member of the fire department shall die, his widow shall be paid out of the fund monthly, a pension of thirty-seven dollars and fifty cents (\$37.50) per month with the addition of ten dollars (\$10.00) per month for each child under the age of 18 years. If there be no such widow, or widow dies the monthly payment provided for such widow shall be divided equally among the children who are living and under the age of 18 years at the time of the division, and each child shall receive its share of the division monthly until it dies or obtains the age of 18 years. If a widow remarries then the payments to the children under the age of 18 years, as well as the widow, shall stop.

**Section XI.** Any member of the fire department in service leaving the service for any cause other than death or retirement with pension, shall be paid out of the fund on demand the amount of his contributions to the fund without interest.

**Section XII.** The benefits payable by the fund, whether before or after ordered paid by the board, shall not be assignable or subject to counter claim, recoupment or set-off except as provided in this ordinance, nor shall they be subject to attachment, garnishment, execution injunction or any decree, order, process or proceeding of any court for the payment of any debt of any beneficiary, and the fund shall be held and distributed for the purpose of this ordinance and for no other purpose whatsoever.

**Section XIII.** The City Clerk shall be custodian of all moneys, securities and other property of the fund, subject to the control and direction of the board. As prescribed by the board he shall keep separate books and complete accounts of the fund, and his books and accounts shall always be subject to the inspection of the board or any of its members. He shall be liable on his bond executed to the municipality as City Clerk of the City of Sedalia, Missouri for all his acts concerning the fund. On the expiration of his term of office he shall deliver to his successor all unexpended moneys, securities, books, records and other property which may have come into his possession as treasurer of the fund.

**Section XIV.** Any person who shall knowingly, or willingly, make any false statement, or shall falsify or permit to be falsified any record or records of such retirement system in any attempt to defraud such system as result of such act, shall be guilty of a misdemeanor, and shall be punishable therefore under the laws of this state.

**Section XV.** The city counselor shall be legal advisor of the board of trustees.

**SECTION XVI.** For the reasons stated in an Act passed by the 63rd General Assembly of the State of Missouri and signed by the Governor of Missouri, December 19, 1945, carrying an emergency clause and now in force, and because under said Act it is necessary that this ordinance be passed in time to give notice as provided in said Act of the submission to the qualified voters of the City of Sedalia, Missouri at the municipal election to be held April 2, 1946 of the question concerning whether or not said Act and this ordinance, shall take effect in the City of Sedalia, Missouri, an emergency is hereby declared to exist for the passage of this ordinance, and the City Clerk is hereby ordered to publish this ordinance as the notice required by said Act and in the manner as provided in said Act, and that there be submitted to the qualified electors of the City of Sedalia, Missouri at the municipal election to be held April 2, 1946, the question "Shall the Firemen's Pension Plan be approved?" If a majority of the voters casting votes thereon at the municipal election to be held April 2, 1946 are in favor of the question, this ordinance shall be in full force and effect in the City of Sedalia, Missouri, beginning thirty days after said election.

**READ THE THIRD TIME** and passed by the Council of the City of Sedalia, Missouri this fourth day of March, 1946.

A. H. Wilks—President of the Council.

APPROVED BY THE MAYOR of the City of Sedalia, Missouri, this fifth day of March, 1946.

Attest with the seal of said City:  
N. P. Mueller—City Clerk.

A. H. Wilks—Mayor.

**Price Ceiling: On Fuel Oil Hoisted**  
 WASHINGTON, March 19—(AP) OPA Monday ordered immediate price ceiling increases at all sales levels for industrial type fuel oil. The raises are a half cent a gallon, or 21 cents a barrel, in all areas except in the states of Washington, Oregon, California, Nevada and Arizona and in Hawaii. In those areas the increase is 15 cents a barrel. OPA said the higher prices are being authorized to encourage re-

**Centennial Of Liberty Tribune**  
 The Democrat-Capital is in receipt of a copy of the hundredth anniversary issue of the Liberty Tribune, published by the Mrs. A. L. Preston estate, of which W. L. Preston is executor and manager.  
 The publication was in two sections of eight pages each replete with historical data carrying chief incidents in the progress of Liberty during the hundred years 1846-1946, as well as feature articles.  
 Locke Bowman, a former member of the staff of the Democrat-Capital had a special column in the paper in addition to other articles and also put in considerable time in writing advertising copy and editing most of the written matter.  
 Mr. Bowman is now attending William Jewell college at Liberty taking a course in theology.

## Jerry Meeker Meets Blassie Here Tonight

Al Galento, Cousin of Tony, Famed Boxer, On Wrestling Card

Wrestling at the armory tonight will be a real first class show which the fans enjoy, one similar to that of last week which won the favor of everybody around the ringside. The main event brings back together Marshall Estep and Sturgeon, Mo., and Ronnie Etchison, St. Joseph, Mo., who gave the fans 45 minutes of real wrestling. Sailor Blassie, St. Louis, who is eyed by local followers of the sport as one of the best clean mat men who has appeared here, is meeting some rough competition tonight. He goes against Jerry Meeker, Columbus, O., in the semi-windup. However, Meeker is considered a good clean straight wrestler when that type of an opponent is met, but can get rough if necessary. Meeker needs no introduction to fans having appeared here on numerous occasions last summer and fall. Meeker keeps in physical condition by going to the north woods hunting and fishing. The special event on the program tonight brings together Al Galento, Orange, N. J., a cousin of Tony Galento, heavyweight

boxer, and Bill Dusen of Ottawa, Kansas. These two men will tip the scales at better than 200 pounds. Harry Cohen, Kansas City, has been secured to handle the matches as the third man in the ring.

### Marshall Estep To Promote Wrestling

Marshall Estep, Sturgeon, Mo., known to local fans as one of the best mat men of the ring, is also going into the promotion business. Estep has bought out the interests of Simon Kalis as promoter of the local wrestling matches. The matches are sponsored by the Pettis County Post No. 16, American Legion.

Estep announced he would continue to wrestle and would appear on the local cards from time to time. Gus Karris, St. Joseph, Mo., will remain as a partner in the promotion and make the matches of the wrestlers.

With Estep taking over in Sedalia, said today, "I hope to see the local shows increase in attendance, and I assure the Sedalia fans I shall do everything in my power to bring the best talent in the business to the local ring."

## Oklahoma A & M Wins 49-38 Over Kansas

Represent Western Region District 5 In NCAA Tourney

By Skipper Patrick

KANSAS CITY, March 19.—(P)—Coach Henry (Hank) Iba's Oklahoma A & M basketball circus, featuring seven-foot scoring wizard Bob Kurland, last night won the right to represent District Five in the Western Regional NCAA basketball tournament here Friday and Saturday.

The Aggies, current Missouri Valley Conference champions and national titlists in 1945, walloped the University of Kansas Jayhawks, 49 to 38, before a packed house of more than 9,000 fans here to prove themselves the class of midland basketball.

Oklahoma A & M will meet Baylor university, Southwest Conference champion, in the opening western regional tournament game Friday night. The University of California and Colorado university are paired for the second tilt. The Big Six champion Jayhawks couldn't cope with Mr. Kurland who scored 28 points, and after making a fight of it for 10 minutes, simply hung on to keep the score down. The Aggies led at the half, 23 to 16.

The Aggies' victory last night was the first in four playoff games with Dr. F. C. (Phog) Allen's Jayhawks for the NCAA bid. Kansas having won in 1936, 1940 and 1942.

A & M will enter the regional tournament Friday with a record of 29 wins in 30 games this winter, including triumphs over champions of three conferences. Iba's boys scored double wins over Wyoming of the Big Seven conference and Kansas of the Big Six, and a single victory over Baylor. The Jayhawks, undefeated in their conference, wound up their season's activity with a record of 19 wins and two losses, both to A & M.

Kurland's 28 points boosted his total for the season to 573.

### Phillips 66 Oilers Nearly Beaten

DENVER, March 19.—(P)—Narrow escapes by two big name teams—Phillips 66 and Hollywood 20th Century Fox—heightened interest in the National AAU basketball tournament today as the big hoop meeting moved well into the second round.

The going began to get rough earlier than usual as a couple of dark horses, Camp Hood, Tex., and Colorado A. & M. college almost knocked the national champion oilers and the moviemen out of the tournament.

Phillips, which has kept the coveted AAU crown in Bartlesville, Okla., for three years, were "hot" and had to squeeze out a 60-56 decision over the soldiers, and Hollywood had to come from behind in the last minute to survive, 47-45, against the collegians.

Both the big teams had expected to take it easy in these second round contests and save the strength of their aging veterans for the long grind toward Saturday's finals.
